Phone: 706-782-2657 • Fax: 706-212-2701

The Rabun County Marshal's Office is asking for your help on an ongoing problem in our county. For whatever reason property owners are failing to obtain a required building permit for construction on existing homes and new constructed homes. Building permits are required on all construction regardless of new construction or remodeling projects. Please help this office in our endeavor to get this problem rectified. If you are aware of anyone that is constructing a new project or remodeling an older project please contact our office.

You can email our office with information at anthony.welch@rabuncounty.ga.gov or call our office at 706-782-2657.

Sincerely,

A handwritten signature in cursive script that reads "Anthony Welch".
